

Bioclimatic Pergola and Outdoor Furniture Assembler

We are a company specializing in outdoor solutions, focused on creating comfortable and sustainable spaces. We are seeking an experienced assembler to assemble and install bioclimatic pergolas and outdoor furniture, providing a high-quality service to our clients.

Main Duties:

- Assembly and installation of bioclimatic pergolas and outdoor kitchens.
- Assembly and placement of outdoor furniture (chairs, tables, sofas, benches, umbrellas, etc.).
- Interpretation of installation plans and diagrams, reading instruction manuals and parts lists.
- Measurement, adjustment, and verification of levels, alignment, and verticality.
- Preparation of the work area: surface protection, proper handling of tools and materials.
- Operational testing of bioclimatic systems (slats, sensors, motorization) and resolution of basic issues.
- Coordination with the logistics team and the sales department to ensure customer satisfaction.
- Compliance with occupational safety and quality standards.
- Basic maintenance of tools and equipment.
- On-site customer service, explaining product use and maintenance.

Desired Requirements:

- Previous experience as an assembler of outdoor structures, aluminum pergolas, or outdoor furniture (preferably).
- Knowledge of pergolas and installation of bioclimatic systems (slats, motors, sensors).
- Reading plans, schematics, and technical manuals.
- Ability to measure, cut, and adjust accurately.
- Good physical aptitude: ability to lift heavy weights, work at heights, and outdoors.

- Willingness to travel and work on-site.
- Practical, problem-solving, and detail-oriented thinking.
- Proactive, responsible, and good communication skills.
- Technical training in assembly, mechanics, etc.
- Certificates in operating warehouse machinery.

We offer:

- Stable, full-time position.
- Compensation commensurate with experience and skills.
- Ongoing training and opportunities for growth within the company.
- Collaborative team and friendly environment.
- Business hours.

Location and contract:

- Vélez-Málaga with projects in various locations.
- Contract type: Permanent
- Availability to travel or visit construction sites.
- Interested? Send us your CV, references (if any), and a brief cover letter to info@detropen.es
